FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator (CTS)** state the proposed legislation allows sheriffs, county marshals and other officers to charge six dollars for their services in cases disposed of by a traffic violations bureau and creates the MODEX fund.

Based on FY 2012 data, there were approximately 170,561 traffic cases on which the \$6.00 surcharge could be applied. CTS anticipates the MODEX revenue from the surcharge would be approximately \$511,683 (170,561 x \$6 / 2) in any given year, with an equal amount going to the counties' inmate security funds.

Officials from the **Department of Public Safety - Missouri Highway Patrol, Office of the State Treasurer** and the **Department of Corrections** each assume the proposal would not fiscally impact their respective agencies.

Officials from the counties of **Boone, Audrain, Cass, Greene, and Platte** did not respond to our request for fiscal impact.

With an August 28, 2013, effective date, **Oversight** will reflect 10 months of activity in FY 2014.

This proposal would increase Total State Revenues.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Currently, sheriffs, county marshals and other officers are not allowed to charge for their services rendered in cases disposed of by a traffic violations bureau. This act allows these officials to charge six dollars for their services. One-half of the amount collected will be deposited in the MODEX fund. The other half will be deposited in the inmate security fund of the county or municipality where the citation originated. If the county or municipality does not have an inmate security fund, all of the amount collected shall be deposited in the MODEX fund.

This act also creates the MODEX fund. The fund will be used for the support and expansion of the Missouri Data Exchange (MODEX) system. The Peace Officers Standards and Training Commission will administer the fund.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
